Go around the room and briefly share your answer to the following question:

**2020 has forced the world to change and adapt. This series is looking at how Church has to change as we move forward. Looking back on the last 8 months, what has been the biggest change you have experienced? OR What has changed for you personally during the last 8 months?**

***INTRODUCTION***

We are entering into a new and very important series titled ***Identity Crisis***. We have all experienced a year of change and unexpected transitions in our lives and in the world. The church is not exempt from this change or "crisis" that we are in. How might God be using the current crisis to transform His Church for His work in the 21<sup>st</sup> Century? Our first series begins to answer that in study called ***A Simple Church***.

Our story comes from two different passages of scripture Matthew 22:36-40 and John 13:34-35.

***Bible Storytelling: Matthew 22:36-40, John 13:34-35***

- Tell the Story: This week's story will be told by one of our group members.
- Examine the Story: Looking at Matthew 22:36-40 and John 13:34-35 in your Bible, what did the storyteller add or omit in their retelling? Does anything else stand out to you?
- Read the story: Have someone in your group read the passage of scripture as everyone else follows along in their Bible.

***DISCUSSION:***

Go around the room and share from your heart, remembering the group guidelines.

- **CLOSING PRAYER**-Spend some time in prayer, pray for the season we are in, for those that may be affected, for the community, for our world. Pray for one another, for those that might be absent and for prayer requests.
